Dear Town of Yarmouth,

This letter is to confirm the support of the Mariners Centre Management Authority for the future location and operation of a Splash Park on the grounds of the Mariners Centre at 45 Jody Shelley Drive, Yarmouth Nova Scotia.

First and foremost, we want to congratulate the Splash Park Committee on their incredible fundraising to date, and thorough site selection process. The Committee has kept the Mariners Centre Board up to date and engaged throughout the process.

On December 8th, 2021 the Mariners Centre Board reviewed and approved the location of the Splash Park on the southeast side of our grounds (see page 2 image). Key attributes that made this location ideal include availability/distance of services to the site, visibility and security, and accessibility for all users. As part of Mariners Centre Board's commitment to our Strategic Priority of Engagement, we organized a presentation of the Status of the Splash Park (and other priorities) with the Yarmouth Agricultural Society on January 25th, 2022. The Splash Park project and recommended location on the Mariners Centre grounds were discussed in detail. We presented to 8 members of their board, including their President and Secretary, and were delighted to receive the support of the Exhibition for the proposed site of the Splash Park.

In closing, we confidently communicate our full support of the recommended location the future Yarmouth Splash Park. Once operational, the Splash park will fold under the Mariners Centre Operations. As a Municipal Owners, we thank you for your ongoing support and request your review and approval of the final site selection so that construction may proceed.
