

Boys & Girls Club
of Yarmouth

*Moving Towards New
Opportunities*

When you think about the Boys & Girls Club...

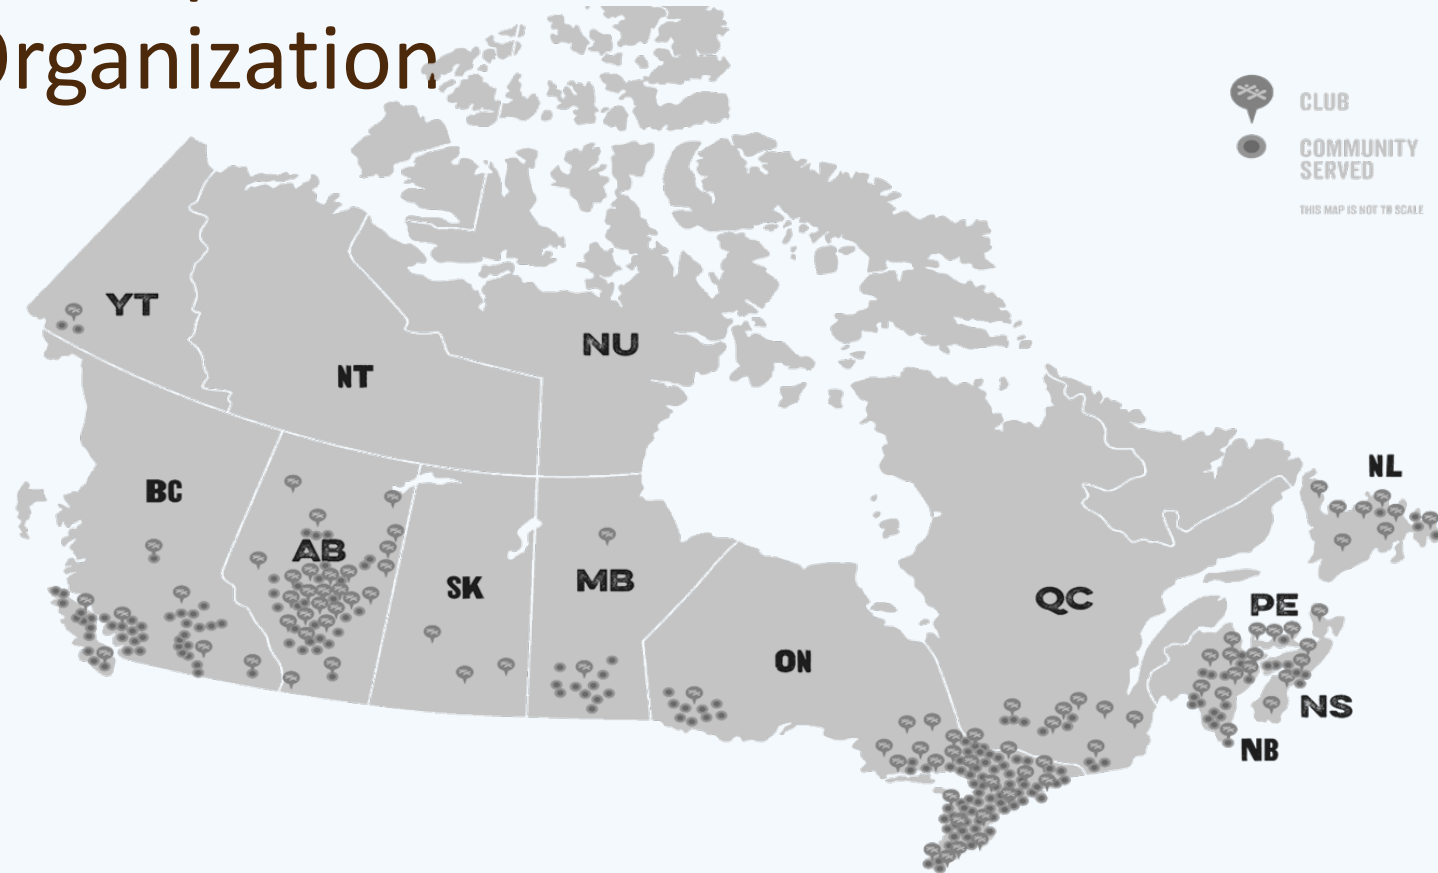

- The name means a lot to many in the community, from past to present.
- Child Care and After School Programs, Summer Day Camp.
- A staple in the South End Community for the past 54 Years.
- Inclusive, A family, Community, Fun, SAFE, Welcoming & Established
- People who care, no judgments, memories and friendships.

Boys & Girls Club
of Yarmouth

But many forget we are part of one amazing National Organization

- We are part of a movement who is dedicated to children.
- We are the largest child and youth serving organization in Canada.
- Over 100 Service Clubs and 600 Service Locations

Today, We begin our transition

WE OPEN OUR DOORS TO
ALL KIDS AND TEENS---- AND
WE UPDATED OUR BRAND
TO REFLECT THAT.

Meet BGC

New brand, same legacy, 54 years of creating opportunities for thousands of kids and teens in Yarmouth.

We have been doing life changing work.
But were ready to do more.

HOW
YOU
ASK....

Because at BGC Yarmouth, we believe....

Opportunity Changes
Everything

Opportunity changes
everything

*20 Forbes Street, will change
everything for BGC Yarmouth.*

New Brand, New Club = New Opportunities

- 20 Forbes Street is our vision for the future. To bring about change, open doors, break down barriers and provide the children and youth we serve a location where they belong.
- A place to grow our already existing programs, but also a place where many more opportunities for programming can happen.
- A location we can partner with other local child and youth serving organizations to provide the best possible programs our children and youth so deserve.

We are so fortunate to have many wonderful programs at our finger tips.

We are just missing one key component a space that is truly ours, a space large enough to provide multiple services.

If a young person needs it
our club will provide it

Through life- changing programs,
community-based services, and
relationships with peers and caring
adults, BGC Yarmouth will help
kids and teens develop the skills
they need to succeed.

Our ambitions for the future

To become known as Canada's leading champion of children and youth

Corporations, governments, educators, communities and families will look to us first to understand what children and youth need in order to thrive today and in the future.

We will provide more children and youth with a third space

A place without the realities of home life or the pressures of school. A place of positivity where they can socialize, play and learn what it takes to become their best selves, now and as adults. A place where they feel they belong.

We will nurture Canada's next generation.

We see great potential in today's youth to make a real difference in our communities and in our country. We will help them to learn the importance of participation and give them skills necessary to help change their communities for the better.
